House wine, tap beers, etc). We can also charge your guests \$2.00 for each drink, which can extend your bar account for a longer period of time. (please speak to Management if you would like further information).

We also cater for set menu functions up to 100 people seated. If you wish to have a set menu let us know as we design set menus to individual budgets and requirements.

Alternatively if you have any other food or beverage ideas or requirements please do not hesitate to ask.

## **Music**

The hotel can arrange music for your function. We have a wide variety of play lists suitable for any occasion. Alternatively we have the facilities for you to bring your own IPOD & play your own selection of music.

The hotel can also organise a juke box with the latest music at a cost of \$250. Or if you would prefer to organise your own DJ or band just let us know, this also should not be a problem.

## **Cake Cutting & Service**

We can happily cut & serve your cake during your function. We can cut the cake and serve on a platter with serviettes for a fee of \$30. Alternatively, if you would like to have it individually served on plates with cream it would be charged at \$1.50 per plate. We provide a cake table with table cloth & cutting knife.
